

Members present: Sue Ellen Harral, Dave Laufer, Mike Kilgore, Arlene Winn, Chuck Price
Darla Joy (ill)

Dave read the minutes of the 3-25-24 WCDC meeting which were unanimously approved. Arlene reported that the financials were the same as last month. We have \$356.54 in the city budget line item and \$2034.17 in the Brick fund.

We discussed plaque sales and the Brick fund, that we need to research our meeting minutes to see if we have used Brick fund money to complete WCDC projects other than just maintenance on the Heritage Wall. Chuck will contact Jim Davis to inquire whether we have previously used the Brick fund money for other projects in Weston.

Dave brought a letter from the AWERE Committee stating that we were approved for our grant application for \$1746 for banners and lighting at the south end pump station fence.

Sue Ellen will host a meeting with Mike and Dave to make a selection of banner signs for the south end pump station fence. Then they will take this selection to the June City Council meeting for the Council's final approval.

Arlene reported to the group on upgrades at the Rose Garden. We will also need to plant flowers at the Heritage Wall as soon as the weather warms up-hopefully on Mothers Day weekend. Dave and Mike will also reinstall plaques on the Heritage Wall at that time.

The group discussed the best way to stabilize the fence panel at the south end wagon site. They will take down the panel and store it in Dave's barn.

Mike will make our social media page "Celebrating Our Community" public soon. Our next meeting is scheduled for May 20, 2024 at 6:30 pm at the Community Church.

Respectfully submitted,
Chuck Price, substitute Secretary
